These terms shall have the meanings assigned to them under Article 4 GDPR.

4. General Principles of Data Processing

DSAINTE processes personal data in accordance with:

- Regulation (EU) 2016/679 (GDPR)
- German Federal Data Protection Act (BDSG)
- Applicable German digital services and telemedia regulations
- Other applicable European and German data protection laws

Personal data is processed only when:

- required for technical operation of the website;
- necessary for communication or contractual purposes;
- required by law; or
- based on a legitimate interest under Article 6(1)(f) GDPR.

DSAINTE follows the principles of:

- Lawfulness
 - Fairness
 - Transparency
 - Purpose Limitation
 - Data Minimization
 - Accuracy
 - Storage Limitation
 - Integrity and Confidentiality
-

5. Website Hosting and Infrastructure

The DSAINTE website is built using:

- Next.js
- React
- TypeScript
- Tailwind CSS

The website infrastructure may utilize services provided by:

- Vercel

- GitHub

These providers may process technical data necessary for delivering website content and maintaining platform security.

Such processing is based on:

Article 6(1)(f) GDPR

(Legitimate interest in secure and efficient website operation)

Where providers process personal data on behalf of DSAINT, appropriate contractual safeguards are implemented.

6. Server Log Files

When visitors access the website, technical information may automatically be collected through server log files.

The following information may be recorded:

Users acknowledge that translated versions are generated by an external service.

DSAINT is not responsible for:

- Translation accuracy
- Third-party data processing activities beyond its control

Users should review Google's Privacy Policy before using translation services.

Legal Basis:

10. Cookies

At present, DSAINT does not use:

- Tracking cookies
- Profiling cookies
- Advertising cookies
- Analytics cookies

Only technically necessary cookies may be used where required for website functionality.

DSAINTE reserves the right to introduce additional cookies or analytics tools in the future. Should such services be implemented, this Privacy Policy will be updated accordingly and, where required, user consent will be obtained.

11. External Links

The website may contain links to external websites, including:

- LinkedIn
- GitHub
- PDF documents
- Government organizations
- Research institutions
- Technology companies

When users access external websites, they leave the DSAINT website.

DSAINTE has no control over the content, privacy practices, or data processing activities of external websites.

Users are encouraged to review the privacy policies of those external services.

12. Data Retention

Personal data is retained only for as long as necessary to fulfill the purposes for which it was collected.

Retention periods depend on:

- Legal obligations
- Contractual requirements
- Legitimate business interests
- Security considerations

Data that is no longer required will be deleted or anonymized where feasible.

13. International Data Transfers

Certain service providers used by DSAINT may process data outside the European Economic Area (EEA).

This may include services associated with:

- Vercel
- GitHub
- Google Translate

Where international transfers occur, DSAINT seeks to ensure appropriate safeguards under GDPR Chapter V.

Safeguards may include:

- European Commission Standard Contractual Clauses (SCCs)
 - Adequacy Decisions
 - EU-U.S. Data Privacy Framework participation where applicable
-

14. Security Measures

DSAINTE implements reasonable technical and organizational measures to protect personal data.

Measures may include:

- HTTPS encryption
- Secure hosting environments
- Access controls
- Data minimization practices
- Monitoring of system security
- Restricted administrative access

Despite these measures, no internet-based system can guarantee absolute security.

15. Rights of Data Subjects

Under the GDPR, users have the following rights:

Article 15 GDPR — Right of Access

Users may request information regarding whether personal data is being processed and obtain a copy of such data.

Article 16 GDPR — Right to Rectification

Users may request correction of inaccurate or incomplete personal data.
